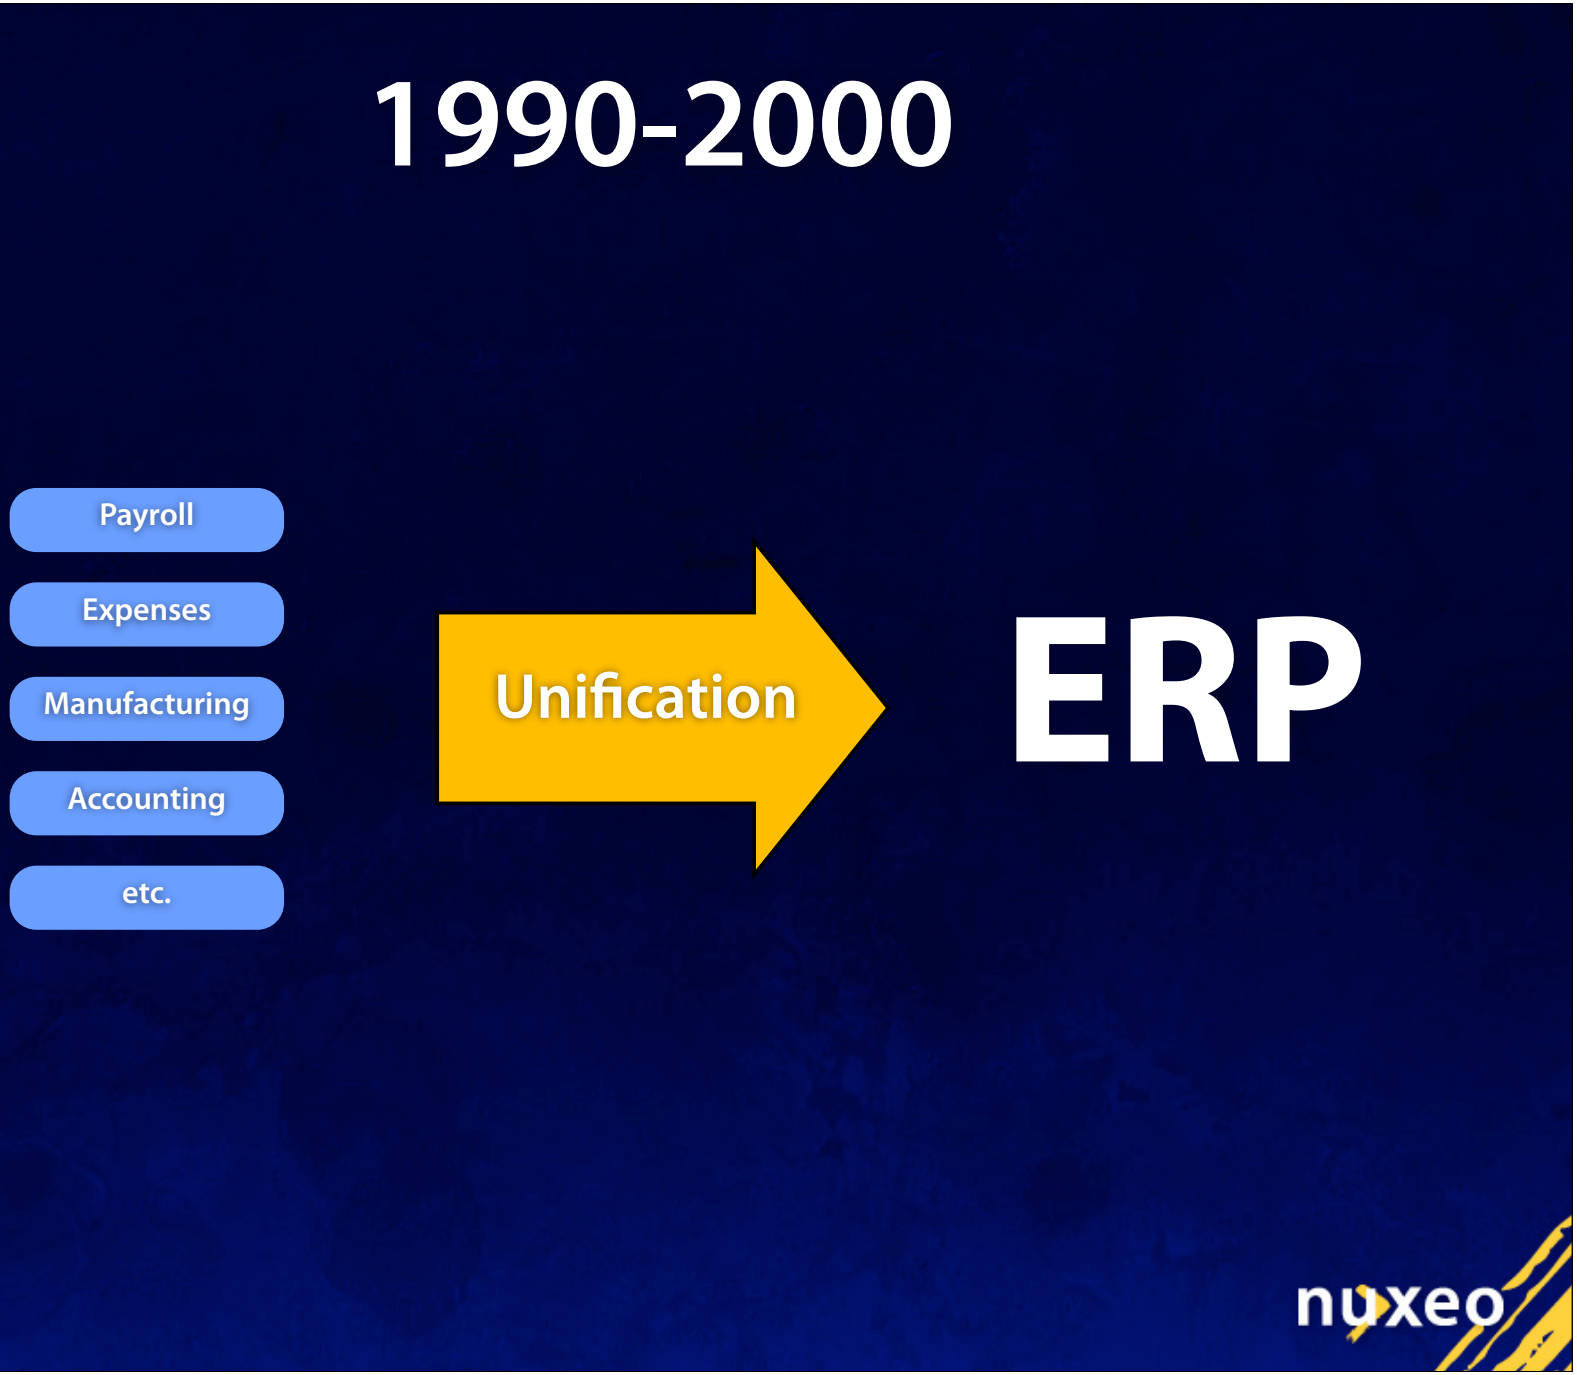
ECM?

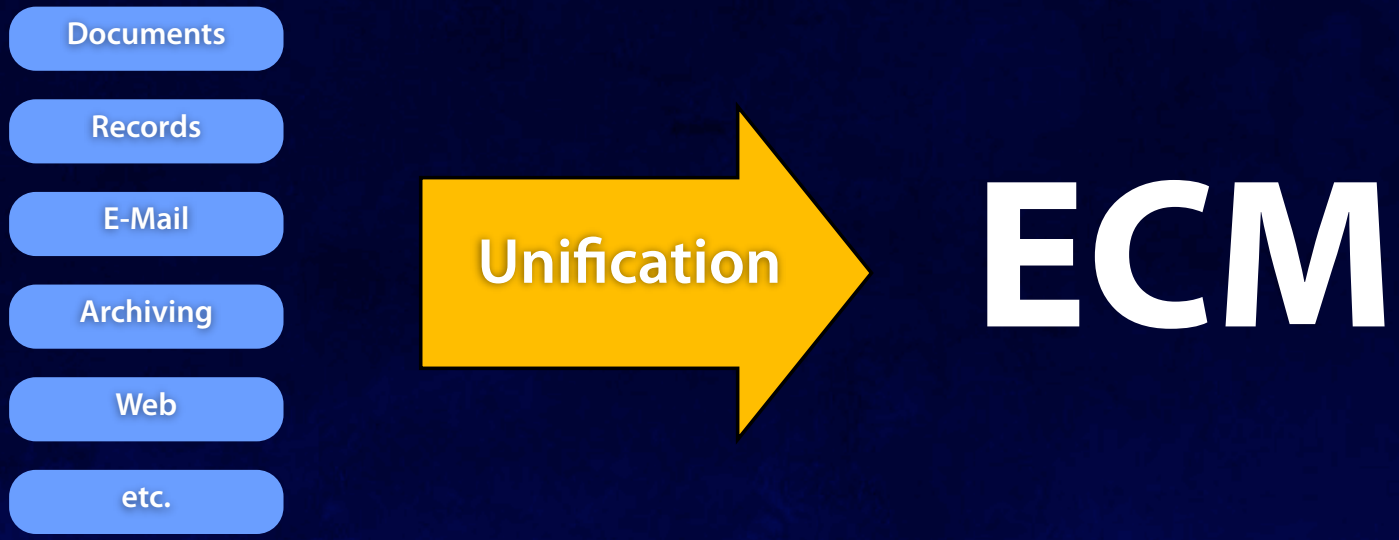
nuxeo

1990-2000



Payroll
Expenses
Manufacturing
Accounting
etc.
Unification
ERP
nuxeo

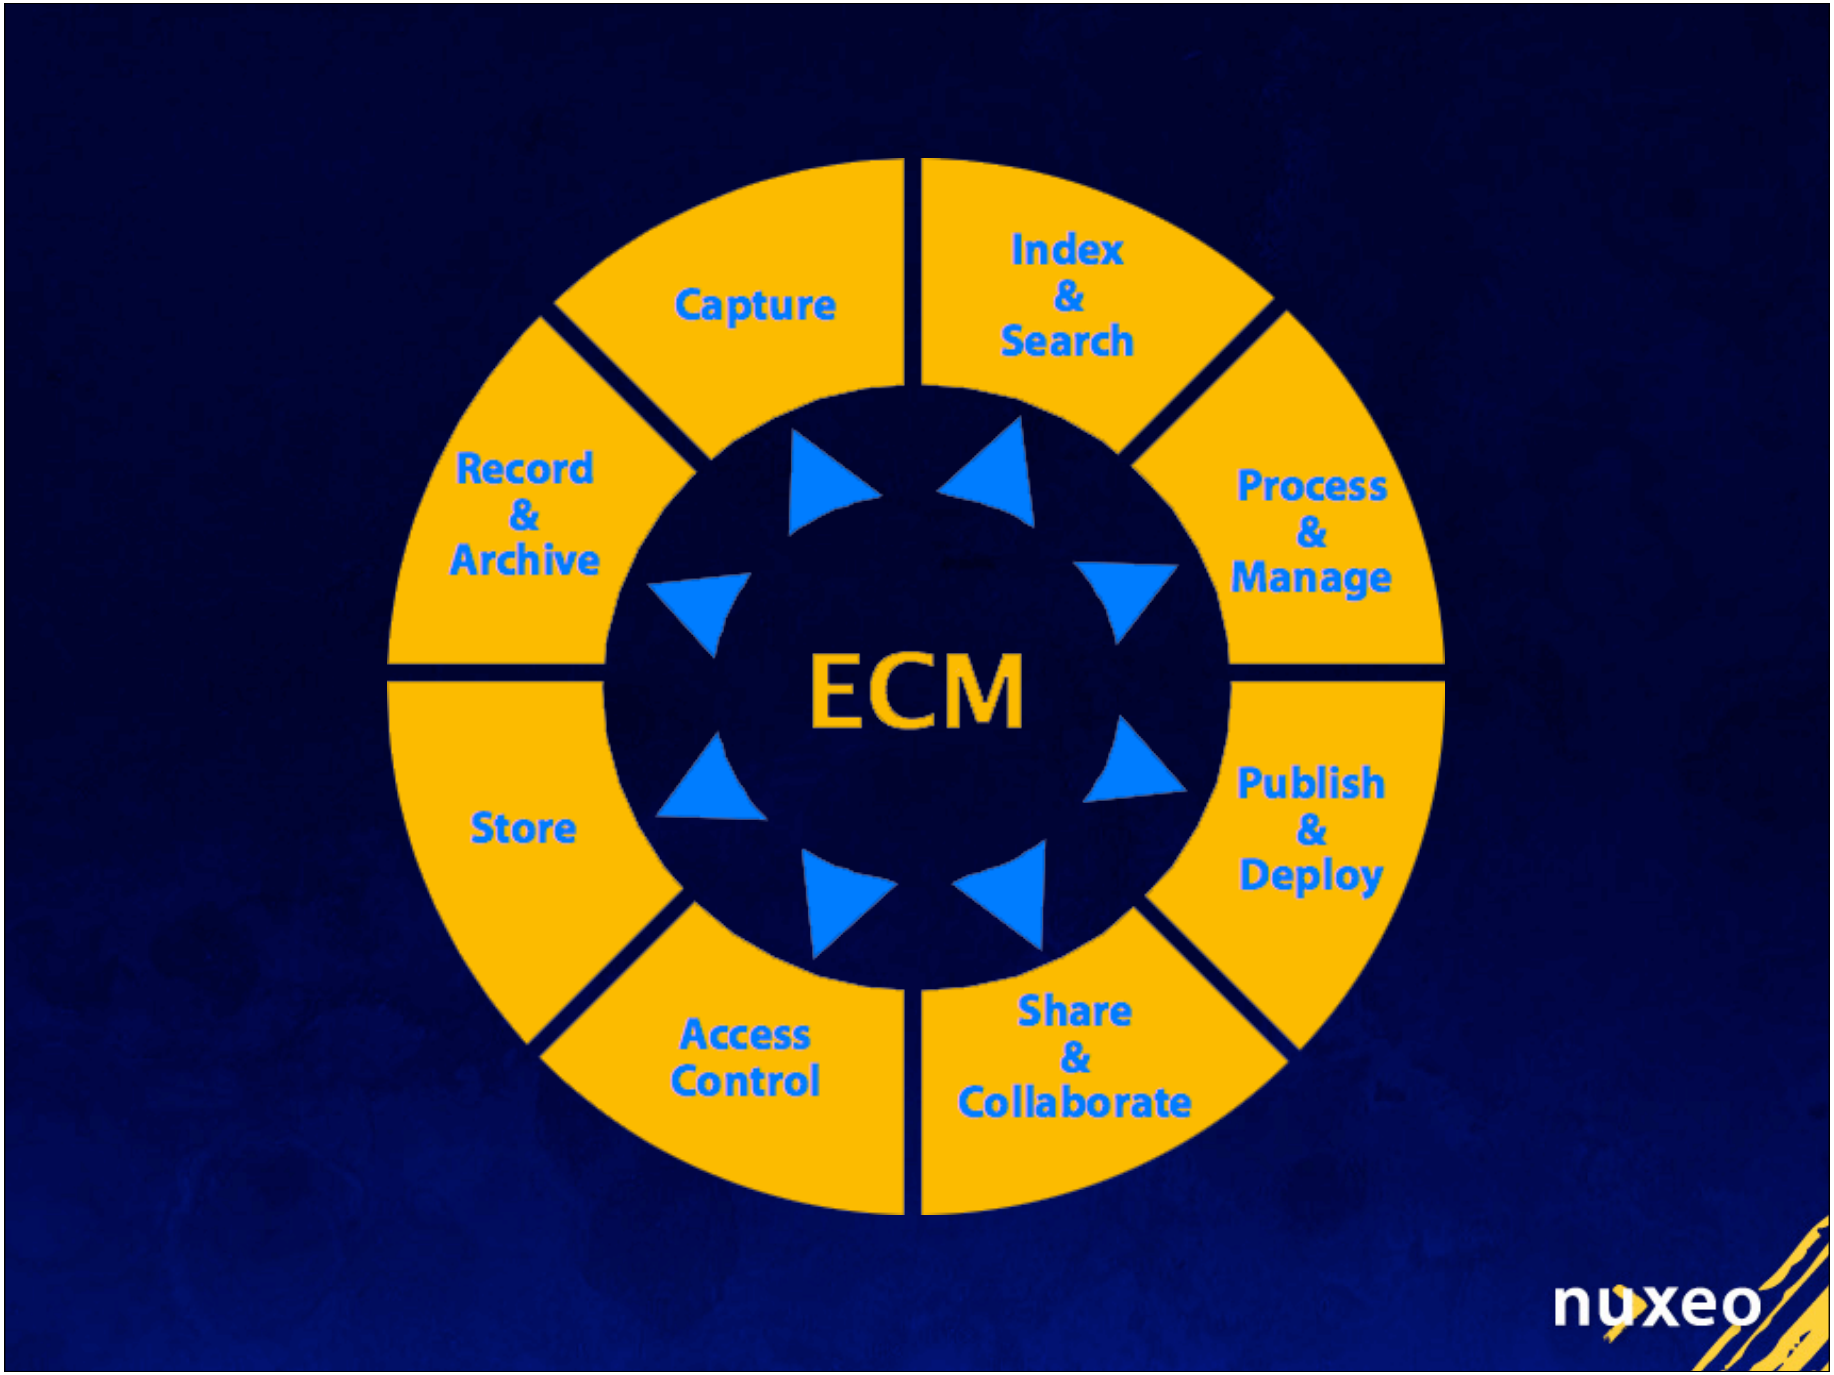
2000-20...



nuxeo

ECM is like ERP for documents!

nuxeo



Capture
Index & Search
Process & Manage
Publish & Deploy
Share & Collaborate
Access Control
Store
Record & Archive
ECM
nuxeo

Why ECM?

- Non-structured information explosion
- Business process efficiency
- Collaboration
- Compliance
- A common platform for all document-oriented applications

nuxeo

The leading Open Source ECM Platform

Our technology

Nuxeo Enterprise Platform

JavaEE 5

- Nuxeo Enterprise Components
- Nuxeo Web Foundations
- Nuxeo Java EE Services

Nuxeo Rich Client Platform

- Functional plugins
- Apogée Infrastructure

Eclipse RCP

MS Office Extension

Nuxeo Core

OSGi

Nuxeo Runtime

JBoss a division of Red Hat

Sun microsystems

APACHE GERONIMO

JOnAS

BUILT ON eclipse

Microsoft Office

OpenOffice.org

What we are looking for

- Partners: system integrators, ISV, research labs
- Nuxeo Runtime users (outside of ECM)
- Ports of Nuxeo Runtime on top of other platforms
- Additionnal technical components (native storage, synchronisation, various connectors...)
- Business components
- Integration with other (enterprise) software: Wiki, CRM, ERP, etc.
- Vertical applications
